

98 Mount Stanley Road Stanley VIC

4  1  5 

Located in the sought-after Stanley Village on a large allotment of approx. 6721 sqm and surrounded by lush established gardens, this four-bedroom, one-bathroom weatherboard, and iron-roofed home has been sympathetically and extensively renovated to blend its charm and character with modern comfort and convenience.

This home is full of welcoming surprises, including the spacious, light-filled kitchen, which is complete with a gas oven and cooktop, dishwasher, stainless steel sink, excellent storage, including a pantry, informal meals area, and internal access to the car carport.

Central to this home is the formal dining room featuring a
